

## **Route 1 (Emancipation Highway), Hanson Avenue and Princess Anne Street Intersection Safety Improvement City of Fredericksburg Notice of Willingness**

**Find out** about a proposed safety improvement project at the intersection of Route 1, Hanson Avenue and Princess Anne Street in the City of Fredericksburg.

This federal Highway Safety Improvement Program (HSIP) project would modify a portion of the existing median on Route 1 southbound to provide more space for vehicles turning left just after the Falmouth Bridge onto Princess Anne Street. Additional pedestrian accommodations would be installed for crossing Route 1. A temporary concrete median at Hanson Avenue and Route 1 would be replaced with a new concrete curb and island. Left turns from Route 1 northbound onto Hanson Avenue would continue to be prohibited.

For more information on this project, visit the project page online at the Virginia Department of Transportation (VDOT) website:
